- 3.8. If a written contract cannot be negotiated within a time frame fixed by the GNWT, NTHSSA, or HNWT, the GNWT, NTHSSA, or HNWT may, at its sole discretion, terminate negotiations with that Proponent and either negotiate a contract with another Proponent or choose to terminate the SFRFP process and not enter into a contract with any of the Proponents, and no Proponent shall have any claim against the GNWT, NTHSSA, or HNWT as a consequence.
- 3.9. Should a contract be awarded as a result of this SFRFP it is expected that the contract to be entered into with the successful Proponent will be substantially in the form of the applicable Pro-Forma Contract. Proponents are cautioned to thoroughly review the Pro-Forma Contract to ensure, before incurring the expense of Proposal preparation, that they are capable of meeting the terms and conditions of the contract.

- 3.16. The GNWT, NTHSSA, and HNWT will not be held responsible for errors or omissions contained in a Proposal.
- 3.17. Unit Prices: When required as part of the Financial Submission, all unit prices should be extended and totaled; failure to do so may result in the Proposal being rejected as non-responsive or receiving a score of zero for the financial portion of the Competitive Selection Process. The extended price is derived by multiplying the unit price by the quantity of units required. In the event of an error in calculation of the extended price, the unit price will be taken as correct and will govern in the evaluation and resulting contract.
- 3.18. Conflicts of Interest: Each Proponent is required to disclose any instances, which may cause a conflict of interest as defined in the Pro-Forma Contract. 4. EVALUATION

4.1. MANDATORY REQUIREMENTS

The GNWT, NTHSSA, and HNWT have several requirements that are deemed Mandatory when submitting a Proposal in response to the SFRFP. Failure to comply with a Mandatory requirement will result in disqualification of the Proposal and removal of the Proposal from further consideration during the evaluation process. The Mandatory Requirements that shall apply are set out in the SFRFP.

4.2. RATING

Proposals shall be evaluated and rated by an evaluation committee, using predetermined criteria to determine which Proposal potentially provides the best value to the GNWT, NTHSSA, or HNWT.

Detailed ratings and comments will be confidential however, once the contract has been executed, a proponent can ask for their own detailed rating and comments and the names and total rating of the other Proponents.

In terms of relative importance, each criterion is given a pre-assigned weight, as outlined on the Proposal Rating Schedule, by which each Proposal will be evaluated.

Each criterion will be rated on a scale of 0 to 5, as set out in Table 1 on the following page. The rating assigned to each criterion will be multiplied by the applicable weighting to determine the total score for that criterion. The totals for all criteria will then be added together to determine the Proposal's overall score. This process will be applied consistently to each responsive Proposal.

The highest total score will determine the Proposal that potentially provides the best value to the GNWT, NTHSSA, or HNWT.

4.3. EVALUATION PROCESS

The GNWT, NTHSSA, or HNWT will evaluate Proposals in accordance with the Proposal Rating Schedule provided in the SFRFP.

The SFRFP has detailed guidelines regarding the format of Proposal submissions. Proponents should ensure they thoroughly review and consider the Proposal Response Guidelines when preparing their Proposal.

The evaluation process shall consist of the following stages:

- Stage 1: Review of Mandatory Requirements:

Each Proposal will be reviewed by the GNWT, NTHSSA, or HNWT to ensure compliance with the stated mandatory requirements.

- Stage 2: Evaluation of Rated Requirements:

The evaluation of the rated requirements shall consist of a detailed review of the Proposal to determine the extent to which the Proposal addresses the requirements set out in the SFRFP.

- Stage 3: Application of Business Incentive Policy (BIP):

Please refer to the Proposal Response Guidelines in the SFRFP for information regarding application of the Business Incentive Policy.

- Stage 4: Evaluation of Financial Proposals:

Please refer to Proposal Response Guidelines in the SFRFP for information regarding the approach that will be used for the evaluation of the financial proposal.

Continued on the next page.
