Notes to Financial Statements (unaudited)

March 31, 2016

1. AUTHORITY AND OPERATIONS

The Northwest Territories Heritage Fund ("the Fund") was established by the Government of the Northwest Territories (the Government) under the *Northwest Territories Heritage Fund Act* to set aside a portion of resource revenues to provide financial resources for the Government to fund long-term investments that would allow Northwest Territories residents to receive benefits from the development of the territory's non-renewable resources. Oversight of the Fund's operations is provided by the Financial Management Board. Administration of the Fund is the responsibility of the Secretary of the Financial Management Board, appointed by the Minister of Finance under subsection 3(5) of the *Financial Administration Act*. The Fund's single objective is to maximize the long-term growth in the Northwest Territories Heritage Fund while avoiding undue risk. The investment management will be guided by the Government's approved investment principles. The Fund is not subjected to taxation under the *Income Tax Act* of Canada.

2. SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of accounting

These financial statements have been prepared in accordance with Canadian public sector accounting standards as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants.

(b) Cash and cash equivalents

(c) Interest income

Interest income is recognized when earned.

3. Cash and cash equivalents

The Fund's cash balances are held in a trust account. The Fund's yield for the year ended March 31, 2016 was 1.13% (2015 - 1.25%). Investments made by the Fund are subject to the Investment Regulations of the *Financial Administration Act*.

4. Financial Instruments

It is management's opinion that the Fund is not exposed to significant interest rate, market, currency, credit, liquidity, cash flow, or other price risks. The fair value of these financial instruments approximates their carrying values, unless otherwise noted.
