### MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The Minister's of Health and Social Services and Education, Culture and Employment  
Government of the Northwest Territories

The accompanying financial statements have been prepared by management, which is responsible for the reliability, integrity and objectivity of the information provided. They have been prepared in accordance with Canadian Public Sector accounting standards. Where necessary the statements include amounts that are based on informed judgements and estimates by management, giving appropriate consideration to reasonable limits of materiality.

In discharging its responsibility for the integrity and fairness of the financial statements and for the accounting systems from which they are derived, management maintains the necessary system of internal controls designed to provide assurance that transactions are authorized, assets are safeguarded and proper records are maintained. These controls include quality standards in hiring and training employees, written policies and procedures manuals, and accountability for performance within appropriate and well-defined areas of responsibility. The organization's management recognizes its responsibility for conducting the organization's affairs in accordance with the requirements of applicable laws and sound business principles, and for maintaining standards of conduct that are appropriate to a Health and Social Services Agency and Divisional Education Council.

The Auditors annually provide an independent, objective audit for the purpose of expressing an opinion on the financial statements in accordance with generally accepted auditing standards. The auditor also considers whether the transactions that come to his notice in the course of this audit are, in all significant respects, in accordance with specified legislation and directives from the Departments of Health and Social Services and Education, Culture and Employment, Government of the Northwest Territories.

## INDEPENDENT AUDITORS' REPORT

To the Ministers of Health and Social Services and Education, Culture and Employment Government of the Northwest Territories

### *Report on the Financial Statements*

We have audited the accompanying financial statements of the Tlicho Community Services Agency, which comprise the Statement of Financial Position as at March 31, 2014, and the Statements of Operations, Changes in Net Financial Resources and Cash Flow for the year then ended. We have also audited the revenue and expenditures of programs funded through contribution agreements by the Departments of Health and Social Services which total \$250,000 or more as listed in Schedule F.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation of these financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

### *Basis for Qualified Opinion*

The GNWT is responsible for the calculation and distribution of the salaries and wages that appear on the statement of operations, the accuracy of which is not susceptible to complete audit verification. We have satisfied ourselves that the payroll information provided by the GNWT was accurately reflected in the Agency's records.

### *Qualified Opinion*

In our opinion, except for the matter described in the Basis for Qualified Opinion paragraph, these financial statements present fairly, in all material respects, the financial position of the Agency as at March 31, 2014 and the results of operations, net debt and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

***Report on Other Legal and Regulatory Requirements***

We further report, in accordance with the Financial Administration Act, in our opinion, proper books of account have been kept by the Tlicho Community Services Agency, the financial statements are in agreement therewith and the transactions that have come under our notice have, in all significant respects, been within the statutory powers of the Agency.

**Tlicho Community Services Agency**  
**Notes to the Financial Statements**  
**March 31, 2014**

**NOTE 1. NATURE OF ORGANIZATION**

The Agency was established under the Tlicho Government Act by order of the Minister dated August 4, 2005. Its purpose is to administer and maintain the standards of Health and Educational programs defined under the respective Acts in the Member communities of the Tlicho Region.

The Agency was formerly known as the Dogrib Community Services Board and the Dogrib Divisional Board of Education. On May 22, 1997, an agreement was signed between the Dogrib Community Services Board and the Government of the Northwest Territories, Department of Health and Social Services, with the support of the Treaty 11 Council, to deliver Health and Social Service programs in the Dogrib region. The Tlicho Community Services Agency is an integrated Education and Health & Social Services Agency.

The Agency is dependent upon funding from the Government of the Northwest Territories.

**NOTE 2. SIGNIFICANT ACCOUNTING POLICIES**

These financial statements have been prepared in accordance with Canadian public sector accounting standards. Significant accounting policies are as follows.

a) Inventory - Held for Use

The Agency's inventory held for use consists of clinic supplies which are accounted for at the lower of cost or net realizable value. Cost is determined on the specific item basis.

b) Revenue Recognition

The Agency follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

c) Operating Surplus (Deficit) - Health and Social Services

The Operating Surplus (Deficit) section of the Statement of Financial Position reflects any accumulated excess expenses over revenue (net of repayments from or to the Department of Health & Social Services). The Agency is funded using a block funding approach. Under this approach the authority is responsible for all deficits and is to return the "Adjusted Operating Surplus" to the Department of Health and Social Services. The Authority can request to retain up to 1% of the Audited revenues to a maximum of \$250,000 with certain stipulations. At March 31, 2014 the Authority had an accumulated Deficit of \$545,133.

d) Budget

The presented budget figures are those approved by the Department's of Health & Social Services and Education. These figures represent the Authority's original fiscal plan for the year and reflect subsequent changes arising from amendments by the Department.
