

IDENTIFICATION

Department	Position Title	
Finance	Human Resource Officer	
Position Number(s)	Community	Division/Region(s)
15-565	Hay River	Southern Region

PURPOSE OF THE POSITION

This position provides general human resource transactional services including recruitment services, job description preparation, labour relations advice and services and coordination of employee orientation and employee recognition. The work of this position helps to ensure the recruitment and retention of a qualified and capable public service in the Hay River service area as outlined in established GNWT *Acts*, regulations, guidelines, policies, procedures, service agreements and applicable Collective Agreements.

SCOPE

Reporting to the Manager, Hay River Human Resource Service Centre, this position is responsible for the provision of front-line human resource services in the areas of recruitment, employee orientation, job description development, employee recognition and labour relations. The incumbent is a specialist in areas of recruitment, employee orientation and job description development. The incumbent will be knowledgeable in the area of labour relations.

The position must provide services that meet the general service standards established across government as well as unique service standards established to meet unusual situations in a given department or board that require an alternative standard. These standards are captured in service agreements approved by Human Resources and each department/board.

RESPONSIBILITIES

- 1. Assists with the development and implementation of departmental recruitment plans with departmental managers by facilitating the recruitment process.**
 - Assist managers with determining recruitment options.
 - Chairs and facilitates selection committee activities.
 - Ensures entire recruitment and selection process is consistent with policy, legislation, and best practices.
 - Provides expert advice and training to members of the Recruitment Selection Committees.
 - Prepares documents required for direct appointments, secondments and transfer assignments.

- 2. Assists departmental managers in promoting healthy labour/management relations by assisting with general labour relations issues as directed by the supervisor. Acts as a front line contact for departmental managers in communicating with the Labour Relations Specialists.**
 - Drafts and reviews labour relations letters.
 - Communicates labour relations advice and rulings to departments.

- 3. Provides advice and support services for effective performance planning and review in assigned departments/boards.**
 - Assists the Supervisor in providing advice and support on the development of performance planning and review practices that meet the needs of managers and employees in a department/board.
 - Provides administrative support reminding people of the need to do performance planning and review, tracking the reviews completed, summarizing information on reviews completed and tracking training needs identified in a useful format for management's consideration.
 - Assists managers in implementing effective performance planning practices with all employees.
 - Helps the Supervisor to provide training and tools for managers and employees to ensure effective use of performance planning and ensures planning and development process that benefits both the employer and employee.
 - Compiles performance review results to help guide departmental planning on employee development and retention.
 - Where requested by a manager, provides advice on options for managing and encouraging positive performance.

- 4. Assists departmental managers with the departmental and divisional orientation of new employees.**
 - Develops and maintains departmental orientation plans.
 - Develops and maintains departmental orientation checklists.
 - Develops and maintains departmental orientation information for new employees.

5. **Assists departmental managers with employee terminations by conducting exit interviews.**
6. **Assists departmental managers in the review of existing and the development of new job descriptions for submission to the Job Evaluation and Organizational Design unit.**
 - Assists departmental managers with writing job descriptions.
 - Maintains departmental organizational charts and manual position files.
 - Tracks requests for position evaluations.
7. **Facilitates the employee recognition programs within assigned departments by providing advice and information on GNWT and Departmental policies.**
 - Assists managers in developing and implementing effective department/board-wide employee recognition programs.
 - Assists with the development of tools and advice for managers in developing effective recognition skills.
 - Co-ordinates activities associated with recognition of employees long service and retirement.
8. **Provides advice and support services for employee development in assigned departments/boards.**
 - Assists the Supervisor in providing advice and counsel to help management teams set priorities for training and development.
 - Assists the Supervisor in preparing employee development plans and programs to address specific-department/board needs.
 - Assists managers in preparing competency-based approaches to employee development.
 - Works with the Supervisor in identifying options and opportunities for developmental activity for individuals and department/board-wide.
 - Assists with the preparation of individual development plans for all employees.
 - Helps coordinate staff training and development opportunities.
9. **Ensures the effective delivery of recruitment and retention programs such as the Student Employment Program and the Northern Graduate Employment Program.**
 - Assists the Supervisor in providing management with information and advice on the use of corporate programs to support departmental priorities and human resource plans.
 - Assists managers with the processes for accessing corporate programs and ensure the preparation of appropriate documentation.
