

IDENTIFICATION

Department	Position Title	
Finance	Senior Finance Officer	
Position Number	Community	Division/Region
15-15203	Yellowknife	Financial and Employee Shared Services/HQ

PURPOSE OF THE POSITION

The Senior Finance Officer is one of eight positions leading Headquarters teams responsible for the direct operational performance and supervision of the financial transaction processing activities of Accounts Payable/Accounts Receivable journal entries, vendor and customer maintenance, payroll compliance and benefits administration in the Headquarters Shared Services Center. This position operates within applicable legislation, regulations, policies, procedures and guidelines.

SCOPE

Located in Yellowknife, the Senior Finance Officer reports to a Manager, Operations. This position processes transactions through exercising delegated accounting authority for all GNWT departments and the NWT HC, Boards, Agencies and Authorities as designated by the Minister and the Comptroller General under applicable sections of the Financial Administration Act (FAA). As an Accounting Officer, it is responsible for both expenditure and disbursement control matters consistent with applicable sections of the FAA, and require strong working knowledge of the GNWT's Enterprise Resource Planning (ERP) system. The overall accountability of this position relates to the processing all forms of financial transactions through the GNWT ERP system. The position is responsible for overseeing the work of a team of up to six supporting positions.

This position is a senior resource to its team on accounting treatment with respect to the GNWT Enterprise Resource Planning (ERP) system. This position verifies authorizations and approves transactions within designated authorized limits by the Minister and the Comptroller General under applicable sections of the Financial Administration Act.

RESPONSIBILITIES

- 1. Approves processing of financial transactions (accounts payable, accounts receivable, general journal entries and employee information for compensation and benefits) entered into GNWT's ERP System, pursuant to applicable Sections of the Financial**

Administration Act (FAA). This requires monitoring of expenditure control responsibilities prescribed under the FAA.

- Exercises accounting authority to specified limits on financial and related documents as per Financial Administration Manual (FAM) and Department of Finance Financial Approval Authorities Spreadsheet (FAAS)
 - Implements an internal financial control system by ensuring all expenditures and transactions comply with government policies and regulations
 - Reviews documents to ensure adequate documentation in support of transactions and reports
 - Reviews client signing specimen authorities to ensure appropriate expenditure authority approvals
 - Makes recommendations to the Manager, Operations and Assistant Director with respect to financial and administrative matters
 - Determines priorities for processing transactions in a timely and accurate manner
- 2. Provides financial and technical advice to Financial and Employee Shared Services staff and department representatives.**
- Provides information to department representatives on Federal and Territorial government policies, procedures, regulations and agreements to avoid non-compliance
 - Provides leadership to Financial and Employee Shared Services staff on Federal and Territorial government policies, procedures, regulations and agreements to help achieve accurate and timely processing of transactions
 - Reviews, evaluates and makes recommendations regarding the Financial and Employee Shared Services business processes while ensuring a continuous improvement philosophy
 - Assists in the development and implementation of approved business processes and operational guidelines.
 - Identifies and investigates unusual and complex transactions to determine the appropriate accounting treatment
 - Contacts client departments to resolve issues related to accounting treatment, chartfield errors, and business processes
- 3. Prepares and/or schedules appropriate financial transaction processing (accounts payable, accounts receivable, employee related compensation and benefit documentation) and reconciliations.**
- Coordinates the work of the section team to ensure the timely processing and treatment of transactions
 - Assists the Manager, Operations in the compilation, analysis and substantiation of the monthly variance report

- Assists the Manager, Operations and Assistant Director in the monitoring of performance measures and analysis consistent with the Financial and Employee Shared Services Evaluation Framework which will be utilized to report back to all Deputy Ministers the achievements and opportunities of Financial and Employee Shared Services
 - Monitors and supports client departments in the reconciliation of general ledger accounts, including investigating and resolving discrepancies
 - Responsible for various reconciliations and the related adjustments or billings
 - Ensures client revenues are received, accounted for and deposited appropriately
 - Prepares financial information for monthly, quarterly and annual reports
- 4. Supervises staff to ensure an effective and efficient team.**
- Oversees the orientation of employees to the workplace including processes and procedures and the GNWT ERP system
 - Coordinates the training/learning and development plans
 - Works with the Manager, Operations and staff to set and monitor work objectives
 - Coaches and motivates staff to continually maximize team performance with a continuous improvement philosophy
 - Applies active supervision by distributing duties and responsibilities to ensure the workplace runs efficiently and effectively
 - Accountable for the timely processing of all financial transactions of all GNWT departments and the NWT Housing Corporation consistent with client department service level agreements
- 5. Ensures performance of entries for onboarding, off boarding and maintenance of employee payroll and benefit entitlements ensuring accuracy and adherence to business processes, federal and territorial government policies, agreements and financial regulations.**
- Monitors onboarding documents to ensure accuracy and adherence to business processes, federal and territorial government policies and financial regulations
 - Reviews all related transactions and adjustments to ensure they are in accordance with Federal and GNWT statues, regulations, agreements, policies and procedures
 - Actively identifies and distributes priorities for processing transactions to ensure employee records are maintained in a timely and accurate manner.
 - Effectively manages the off boarding transactions to ensure compliance with federal regulations and agreements
 - Responds to escalated client inquiries
- 6. Assists with reporting, planning and overall divisional support.**
- Cross-trained in critical operational activities performed by the Manager, Operations and other staff to ensure minimal disruption to services
 - Coordinates the compilation and transmission of audit sample requests
 - Assists the Manager, Operations and Assistant Director in the Main Estimates/Business planning process
