

## IDENTIFICATION

Department	Position Title	
Northwest Territories Health and Social Services Authority	Relief Clerk Interpreter	
Position Number	Community	Division/Region
48-15508	Fort Providence	Community Health Services / Dehcho

## PURPOSE OF THE POSITION

The Relief Clerk Interpreter will greet patients and callers; answer telephones, direct calls and take messages; direct patient flow, schedule patient appointments for the clinic, in accordance with Northwest Territories Health and Social Services Authority (NTHSSA) Policies and Procedures, Clinic protocols, and balancing client needs, and Health Care team availability.

## SCOPE

Located in Fort Providence at the Fort Providence Health Centre, the Relief Clerk Interpreter will report to the Nurse in Charge (NIC) and is responsible for maintaining and promoting communication, and controlling patient flow in a fast paced, high volume environment. The incumbent, as first point of contact, acts as a liaison between clients, staff, Physicians and other Health Care institutions, and professionals by relaying information in an accurate and timely manner.

This position is guided by general procedures, but must make judgments about a wide variety of calls and questions dealt with during the workday. Judgments include the nature and urgency of patient requests, and whether to interrupt members of the Health Care team to take the call. Given the pace and volume of the Clerk Interpreter's work, prioritization of clinical situations is constantly challenging. Concentrated attention to detail for prolonged periods of time and frequent interruptions will be experienced by the job holder in this position. As well, the incumbent may be interacting with frightened, emotionally distraught, angry or stressed patients in the course of the role,

Proper scheduling of clients and timely management allow the Health Care team to productively care for their patients.
