

## IDENTIFICATION

Department	Position Title	
Beaufort Delta District Education Council	Support Assistant	
Position Number	Community	Division/Region
92-16724	Inuvik	Beaufort Delta

## **PURPOSE OF THE POSITION**

The Support Assistant is responsible for assisting with instruction and providing support and encouragement to students diagnosed with special needs and/or who require additional attention in order to ensure all students have the opportunity for a successful and meaningful learning experience. This position operates under the *Education Act* and the policies and procedures established by the district, region and school.

## **SCOPE**

At the discretion of the Principal, the Support Assistant (SA) reports to the Principal, Program Support Teacher and/or Classroom Teachers. The position is responsible for assisting with implementing specialized and modified learning and education activities in order to provide a positive learning experience for students with special needs or students who require additional support. The SA is responsible for working with special needs/additional needs students either individually or in small groups to provide academic assistance in mainly core areas such as reading and math. The SA is also responsible for ensuring that special needs/additional needs students are provided with positive learning environments and have an opportunity to learn effective listening and communications skills and good work habits. In particular, the SA is responsible for assisting with implementation of Individualized Education Plans (IEPs) so that students are provided with a learning environment that promotes a sense of accomplishment and self-confidence.

Providing these services in an adequate manner will have a direct impact on special needs/additional needs students and their families. It will increase the chances of having these students remain in the education system and gain the skills required to be successful in life. It will also have a direct impact on the ability of the Classroom Teacher to maintain order in the classroom as many children with special needs may become frustrated and demonstrate inappropriate or disruptive behaviors in the classroom without special or additional

assistance. Providing these services will also have a direct impact on other students within the classroom who may not otherwise receive the required level of attention from the Classroom Teacher.
