

## Launch and connect to the VPN (Windows)

1. If you need access to your departmental file shares (i.e.: G, H, I network drives) or to access a desktop in your office, contact the TSC Service Desk. Some additional steps are required to enable those features.

Phone (867) 920-4408 or 1 (866) 380-6777 toll-free or [TSCServiceDesk@gov.nt.ca](mailto:TSCServiceDesk@gov.nt.ca)

2. Click the **up-arrow** in the taskbar in the lower right of your screen to display the GlobalProtect icon.

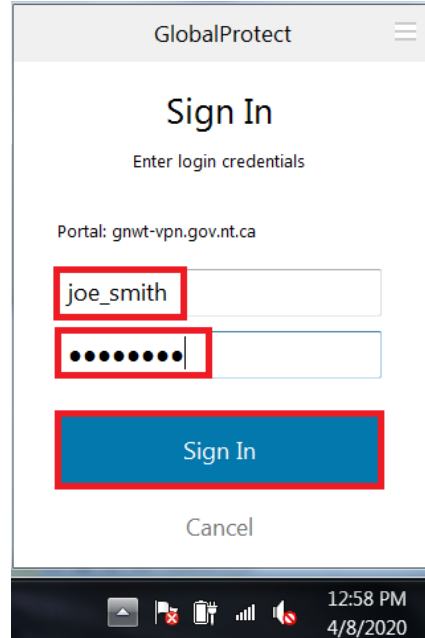

3. **Right-click** on the GlobalProtect icon. Click **Connect**.

4. Set the portal address to `gnwt-vpn.gov.nt.ca`. Click **Connect**.

1. **Sign in** using your GNWT account username and password.

**If you experience any issues logging into VPN, please contact the TSC Service Desk at Phone (867) 920-4408 or 1 (866) 380-6777 toll-free.**
